COMMERCE & INDUSTRIES**

Initiative

Opportunities & Challenges

“Africa, continent that was once superciliously dismissed as a foredoomed place of darkness, is now shining anew, but is at the centre of a new great game of courtship.”

INDO AFRICAN CHAMBER OF COMMERCE & INDUSTRIES

About Us

The Indo-African Chamber of Commerce & Industries has played a catalytic role in strengthening the India – Africa partnership through path breaking initiatives, of which the “Africa Day” the mega event stands out as the most enterprising event.

It is shining example of what south south co-operation could potentially deliver. It is benchmark to meet and explore new avenues of partnership.

IACCI is a non profit institute & industry managed organization.

IACCI has played a crucial role in strengthening the India-Africa partnership through path breaking initiatives by

ascertaining newer business sectors and opportunities to augment trade and investment.

Africa Day is shining example of what a co-operation could potentially

deliver. It is a benchmark to meet and explore new avenues of partnerships.

For more details please visit: www.iacci.org

I for Afrika is an another such initiative by Indo-african Chamber of Commerce and Industries strengthening business partnership with focus on sectors and of high priority; enhancing capacity building initiatives and resources mobilization programmes; thereby acting as a facilitator for exchange of Business, cultural and tourism between India and Africa.
